Hollywood Hack Day Winners

First place: ($2,000) Typing Karaoke / More Info
Karaoke meets Mavis Beacon! Quickly type synced lyrics to your favorite songs. The faster the lyricist, the harder the song. It's an unique and fun way to learn and improve your typing.

Second place: ($1,000) Social Jukebox / More Info
A SMS+Email controlled, HTML5 visualizing, Rdio+Spotify powered Jukebox.

Third place: ($500) Video List / More Info
Save videos using browser plugin to watch later. Import all of your videos you have shared on Facebook and all of your friends videos they have shared on Facebook and watch everything on a simple scrolling webpage that works on all devices.
